

Brazilian solar generator manufacturers

In this article, we will explore the top seven solar manufacturing companies in Brazil, and delve into the certifications necessary for solar panels in the Brazilian market.

In 2021, a number of photovoltaic and financial solutions companies expanded their work in Brazil. Companies such as Absolar, Insole, Trina Solar, Alexandria, and Evolua Energia saw significant growth. In addition, traditional energy companies such as Shell and Norway's Equinor began to get involved. "When we arrived in the country, the market was relatively small and now it's one of the biggest ones in the world," says Ilvaro Garcia-Maltrás, vice president of Trina Solar in the Caribbean and Latin America, sa...
