Are KDM EV charging boxes UL-listed and NEMA-certified?

KDM's EV charging boxes are UL-listed and NEMA-certified, ensuring they meet stringent safety and performance criteria. Our outdoor EV charger enclosure features a gland plate, radiating fan, fluorescent lamp, lamp switch, ground connections, and PU foaming seals. Electrical Infrastructure Companies

Are charging stations a one-size-fits-all?

When it comes to charging stations, there's no one-size-fits-all answer. Some applications need enclosures with specific sizes and shapes. Others need doors, wiring access ports, or locking mechanisms. We welcome OEMs with existing design blueprints and those still on the drawing board.
