Instead of a socket, solar-powered light strings connect to a small solar panel and a rechargeable battery. During the day, the solar panel soaks up the sun's rays to create electricity; the ...

Our FULL MOON LED Ball Light is battery-powered and has 16 color options to choose from. It's the perfect product when you want some indoor or outdoor lighting that won't need cables or plugs, as it ...

How We Tested The Outdoor Solar Lights
What to Look For in Outdoor Solar Lights
Why Trust The Spruce?
Over the last few years, we've tested 62 different outdoor lights, including over 30 solar-powered options. After testing in our lab or at one of our own homes across the country, each light was evaluated on ease of assembly, brightness, features, design, value, and durability. 1. Ease of assembly: We set up a timer and assembled each light accordi...
