

Outdoor power protection rack

What is a rack protector?

Rack protectors, as mentioned in the article, are extremely common and effective for situations like a forklift backing into an upright, or hitting it with a lowered load on the way to load or unload. They are finished safety yellow and are easy to install, remove, or re-use when needed.

Is a NEMA 4X outdoor enclosure waterproof?

Both ratings indicate a waterproof and dust-tight enclosure that provides excellent protection against airborne particulates, adverse weather conditions, and repeated hose-downs. However, a NEMA 4X outdoor enclosure has an additional feature that a NEMA 4 outdoor enclosure lacks: protection from corrosion.

How do I choose a NEMA rated outdoor enclosure?

Finding outdoor enclosures that meet all of your application requirements is made simpler through NEMA ratings. Cabinets with a 3, 3R, 3S, 3X, 3RX, 3SX, 4, 4X NEMA standard are all properly made to withstand the outdoor elements to varying degrees.
