Buying a solar energy system makes you eligible for the Solar Investment Tax Credit, or ITC. In December 2020, Congress passed an extension of the ITC, which provides a 26% tax credit for ...

Learn more about how PV works. The U.S. Department of Energy Solar Energy Technologies Office (SETO) supports PV research and development projects that drive down the costs of solar ...

A host customer agrees to have solar panels installed on its property, typically its roof, and signs a long-term contract with the solar services provider to purchase the generated power.

Imagine a home or business where solar panels capture energy, intelligent batteries store and manage electricity, and your entire property becomes a smart, responsive energy environment.

Welcome to mySunrun, your partner in all things home solar.

Installing your first Enphase system? Sign up for Enlighten. Enter your email ID registered with Enphase. We will send a 6-digit code to your registered email ID and mobile number. Enter the code sent to ...
