

Power station cabinet 25kW warranty

Let's cut to the chase: if you're investing in an energy storage power station, you're probably more excited about megawatt-hours and peak shaving than warranty paperwork.

Defective Products covered by this Warranty will be repaired or replaced without charge, or you may be provided with a refund of the purchase price of the Product, minus any rebates and discounts.

Are you evaluating warranty policies for energy storage systems? This guide breaks down industry standards, key terms, and actionable tips to help you make informed decisions.

This warranty covers any failures of the Product, under normal use and service, which result from a defect in material or factory workmanship.
