

Spanish solar glass sun room

Is insulated glass a good choice for a sunroom?

Comprised of two panes of glass,insulated glass is a popular choicefor extending the seasonal use of your sunroom. It will also improve your heating and cooling performance over single-pane glass.

Is sunroom glass tempered?

Choose from clear glass or bronze tint. All our glass is temperedfor safety. Tempered sunroom glass keeps you safe during accidental breakage. The glass will shatter into tiny pieces instead of dangerously sharp shards. We are proud to be the only sunroom glass manufacturer who performs this process in-house.

What is a custom solarium?

A Patio Enclosures custom solarium may be the perfect solution. A solarium is a wonderful way to add extra living space to your home for you,your family,and friends. Often referred to as a greenhouse or glass enclosure,a solarium is a type of sunroom addition built entirely of glass.

What is a solarium & how does it work?

A solarium is a wonderful way to add extra living space to your home for you,your family,and friends. Often referred to as a greenhouse or glass enclosure,a solarium is a type of sunroom addition built entirely of glass. Solariums trap as much light as possible,allowing for an outdoor feel without having to leave the comfort of your home.
